1. Dobbeltclick and the light turns on

2. Press down until the light flashes

DK - Garantien bortfalder, hvis man sidder, hopper eller på anden måde u hensigtsmæssigt belaster hoved- og fodenden, når disse er eleveret/hævet op!

SE - Garantin gäller inte, om man sitter, hoppar eller på annat vis missbukar sängen, när huvud- och eller fotänden är elverad!

UK - The warranty expires if you sit, jump or otherwise inappropriate overload the head and foot when these are elevated/raised!
